Rural Minds is honored and proud to be associated with the 2024 KC Summer Kick-off Horse Show

***There's a silent epidemic that is having a
devastating impact on rural communities
throughout America***

Compared to people living in urban areas, rural Americans have higher rates of depression and suicide rates are 64-68% higher. Farmers and ranchers are twice as likely to die by suicide than other occupations.

Rural Minds is a 501 c3 nonprofit working to confront the mental health challenges in rural communities and the stigma and suffering that surrounds mental illness and substance use disorder.
